### **An Authentic Lifestyle**

Amish Country provides visitors with a glimpse of life that is as honest and authentic as anywhere in the world. Families and communities living off the wealth of the land. Handcrafted goods, from furniture to quilts to brooms. And, of course, life at a buggy's pace. Because Holmes County is home to the country's largest Amish population, visitors get a more concentrated cultural experience here than any other Amish community.

*Where:* Throughout Holmes County and neighboring counties.

*When:* All seasons

*Suggested interview:* LaVonne DeBois of Amish Heartland Tours is a local expert in modern Amish culture. For photography, Yoder's Amish Home in Walnut Creek provides a glimpse into the Amish life in a controlled setting so that buggy and Amish lifestyle photography is possible.
