This place is truly a treasure trove of amazing and unique gifts, home decor (indoor and outdoor), clothes, jewelry, shoes, accessories and my favorite section - Plants! They have a lot of fun events too. Everything is beautifully displayed. Plan on spending a few hours here because the market is HUGE and fills 2 buildings. I can not recommend this place highly enough.

## 2022 Map & Visitor's Guide

Welcome to Ohio Amish Country! Whether you're looking to immerse yourself in a rich culture, hop on a tour, enjoy a little comfort food or find your bliss away from the everyday, we've got something for you. Before browsing our 2022 Map & Visitor's Guide, here's some insider-information to keep in mind as you plan your stay.

### Using GPS

Most map programs work better when abbreviated routes are written out (SR to State Route, CR to County Road, TR to Township Road). However, some GPS units will still not recognize them. This can be solved by using "Highway" instead of "Road."

### Sharing the Road

Sharing the road with buggies and farm equipment is often new to tourists. To enjoy a safe trip in Amish Country, here are a few tips:

- 1) Use caution and avoid accelerating at the top of hills.
- 2) Be aware that Amish Country's winding roads can create blind spots.
- 3) Anticipate left-hand turns made by horse-drawn vehicles into fields and driveways. If a driver's arm is fully extended, this is a left-hand turn signal—not a signal for you to pass.
- 4) When passing on a rural road, keep in mind the road may be narrower than city streets. Loose gravel can be hazardous. Pass slowly only when safe and on a reasonably open stretch of road.

### Contrasting Locations

In our rural area, a business with a Millersburg address may actually be located in Berlin, or a Sugarcreek address may be closer to Walnut Creek. We recommend reviewing our map or using GPS to avoid confusion.

**That's it! Begin planning your next getaway exploring the categories below.**

Leave The  
*Grind*  
Behind.

Looking for a unique Amish Country experience? Give it your best shot at Airport Ridge. The company has a vision to create a world class sporting clays facility where relationships can grow and be strengthened through fun, friendly competition and meaningful events. In addition to the 12 station orange course, 18 station black super sporting clays course and 5 stand, there is a beautiful facility for banquets, charity events and weddings up to 180 people.

No matter what “adventure” means to you, Amish Country invites you to a place that enchants people of all ages. Where you can hit pause and leave the grind behind. A place that reminds us to be still and notice simple pleasures. Where children can feel soft fur, gentle nibbles and open spaces. They’ll dream of changing their world from the driver’s seat of a mighty steam engine and ride off into the sunset like the trail-blazing settlers who built this place. Whether you’re perfecting your golf swing or hitting the trail, you’ll find many ways to spark your senses, connect with nature, move your body, or learn something new.

## Hometown *Hospitality*

Less than two hours from Cleveland and Columbus and tucked into the Appalachian foothills of eastern Ohio, Holmes County and the surrounding region celebrate the traditional as well as the modern. Not only is the area home to the world's largest Amish and Mennonite population, but its topography, culture and heritage make it a unique and diverse destination.

Ohio Amish Country is a hub for adventures that range from back roads to big cities! Enjoy the great outdoors at the nearby Mohican Recreation Area, along miles of trails in neighboring Knox County or on an authentic canal boat ride in Historic Roscoe Village. Even more signature attractions are within a short drive, including the works of "The World's Master Carver", The World's Largest Cuckoo Clock, The Rock and Roll and Pro Football Halls of Fame and so many others.

Locally-owned and locally-grown businesses are commonplace here and that includes banks, retail, attractions, healthcare, professional services and more. Many current residents are former visitors who liked the area so much, they returned to live in this amazing community!
